providing a concise political and sociological introduction to social policy this text helps readers to grasp the nature of social programs and the political struggles surrounding them

what are social policies how are social policies created and implemented why do certain policies exist the fourth edition of this highly respected textbook provides a clear and engaging introduction to social policy the book has been thoroughly updated to include changes in social policy introduced by the coalition government incorporation of an international perspective throughout as well as a new chapter the global social policy environment updated pedagogy to stimulate thought and learning comprehensive glossary social policy is essential reading for

students beginning or building on their study of social policy or welfare the wide ranging coverage of topics means that the book holds broad appeal for a number of subject areas including health social policy criminology education social work and sociology this textbook has always been a useful teaching resource because it combines substantial and engaging analysis with stand alone extracts the new edition adds a chapter on global social policy updates on the coalition government and guides to what is in the book the added activities are well thought out and can be adapted or expanded to suit the needs of particular students

hedley bashforth teaching fellow in social policy university of bath uk social policy an introduction now in its fourth edition and eleventh year will remain a core social policy text on reading lists across the country due to its well written and comprehensive nature completely revised it has been updated and extended to reflect contemporary developments in social policy including the policy implications of the coalition government and now includes a chapter on global social policy environments reflecting the continued internationalisation of social policy debates updated pedagogical features which include activities for the reader learning outcomes at the start of each chapter and detailed case studies throughout enhance this thought provoking and stimulating text

dr liam foster university of sheffield uk this book provides as it states an introduction to the field and does so by adopting a highly attractive pedagogic style that evidences at every turn a sensitivity to the approaches to learning of contemporary students although it is tailored to meet the needs of primarily first year specialist students it is equally suitable for those on other programmes who are taking an option in social policy because the book anticipates theoretical issues and debates and students will confront as they progress to a more advanced level it will also retain value as be a longer term reference resource i will certainly be citing it on a second year core course i teach it is immediately clear that a great deal of thought has been invested into designing this book what blakemore and warwick booth have produced is a clearly laid out and well structured analysis of impressive breadth that is a readily accessible learning instrument both for student and teacher importantly it provides numerous opportunities to experiment with new ways of approaching the teaching of the subject each chapter sets out clearly expressed learning outcomes with a fair balance of theoretical and empirical concerns visual displays in box material graphs and flow charts provides a most effective means for absorbing the large amount of ground covered there is good incorporation of statistical material and up to date policy developments students are also encouraged to exploit useful links to internet and other media sites particularly attractive from a teaching point of view are the range of tasks set for the students which are aimed clearly at rapid capacity building chapters end by listing the key terms and concepts addressed to aid revision of material this is repeated in the glossary at the end of the book most of the materials are derived from the british context but there is also a secondary focus on eu member states and beyond as well as a good chapter on global social policy

steen mangel department of social policy london school of economics and political science uk

comprises 33 papers grouped under five themes the nature of social policy the history of social policy social policy and the social services the political economy of social policy and

international and future perspectives on social policy

the fifth edition of social policy for effective practice offers a rich variety of resources and knowledge foundations to help social work students understand and contend with the continually evolving social policy landscape that surrounds them the authors have continued their values based approach and kept the focus on clients strengths to help students position themselves for effective engagement on new fronts where policy threats and outcomes affect clients lives in myriad ways the new edition comprehensively covers the process of defining need analyzing social policy and developing policy and each chapter builds on the practical knowledge and skills forged from previous ones new to this edition thorough examination of new policies including challenges to the affordable care act voting rights immigration women s rights and lgbtq rights as well as situations involving substance use mental health and economic inequality expanded coverage of shifting demographics including population diversity and aging increased connections drawn between historical present and potential future policy contexts updated exercises exhibits and social media links in text and an entire suite of web based tools found through routledgesw.com including complementary reading suggestions and teaching tips a full library of lecture slides and exam questions and epas guidelines for use as a resource in foundations generalist social policy courses either at the baccalaureate or master s levels the new edition of social policy for effective practice will challenge students to find areas of policy practice that spark their passion and prepare them to think about and use policy practice as a tool that can lead to the changes they care about

how do human societies provide for the wellbeing of their members how far can we organise the ways in which we care for and about each other and who should take responsibility for providing the support we all need these are some of the fundamental questions addressed by social policy today in this short introduction suitable for students at any level hartley dean explains the extraordinary scope and importance of social policy he explores its foundations and contemporary significance the principal issues it addresses and their diverse economic political and sociological dimensions and concludes by looking at the fundamental challenges facing social policy in a dramatically changing world taking an innovative approach to social policy as the study of human wellbeing hartley dean examines the ways in which governments and peoples throughout the world attend to promote neglect or even undermine the things that make life worth living these include essential services such as healthcare and education the means of livelihood such as jobs and money and vital but sometimes intangible things such as physical and emotional security some of these are organised by governments and official bodies others are provided by businesses social groups community organizations neighbours and families trying to understand all these elements which together constitute human wellbeing is the stuff of social policy

the second edition of social policy and social change is a timely examination of the field unique

in its inclusion of both a historical analysis of problems and policy and an exploration of how capitalism and the market economy have contributed to them the new edition of this seminal text examines issues of discrimination health care housing income and child welfare and considers the policies that strive to improve them with a focus on how domestic social policies can be transformed to promote social justice for all groups jimenez et al consider the impact of globalization in the united states while addressing developing concerns now emerging in the global village

a timely examination of social policy through a social constructivist and economic lens social policy and social change illuminates the root causes of common social problems and how policy has attempted to ameliorate them in so doing the book focuses on how social policies in the united states can be transformed to promote social justice for all groups the book uniquely offers both an historical analysis of social problems and social policies and an economic analysis of how capitalism and the market economy have contributed to social problems and impacted social policies the book goes beyond the u s borders to examine the impact of globalization in the united states and in the global south it considers the meaning and impact of the election of barack obama as president of the united states and explores the policy solutions his administration has proposed to deal with the economic recession of 2008 2009 the book also discusses social workers as agents of social change and advocates of social and economic justice it examines five key realms poverty in families and the welfare system poverty among the elderly and social security child maltreatment and child welfare policy health and mental health policy and housing policy social policy and social change is a primary text for social policy social welfare policy courses in msw programs and possibly some higher level bsw programs it will be supplemented with a comprehensive ancillary program including a test bank instructor s manual and student website

the handbook of social policy is a comprehensive examination of the development implementation and impact of social policy the contributors document the substantial body of knowledge about government social policies and their driving forces

this reissue first published in 1969 is a study of contemporary social policy in developing countries which places the emphasis upon the human needs and requirements for social change which confront any people and any government wherever their political and international affiliations lie whatever their economic and social convictions may be

originally published in 1965 social policy became a classic text and one of the best known and most widely used textbooks in social administration this routledge revival reissues the 5th edition of 1985 t h marshall s masterly and unrivalled analysis of the development of welfare policies between 1890 and 1945 remains unchanged the second half the book with a chapter on every arm of the welfare state retains marshall s original structure but was completely rewritten and updated by a m rees considering developments to the end of 1984 an indispensable

introductory text this is a key book for all students of social administration economic and social history and 20th century politics

social policy and social justice meeting the challenges of a diverse society is grounded in a clear conceptual framework of social justice it offers rigorous up to date analyses of contemporary social policy issues contributed by leading experts in the field the book examines the complex relationship between social policy and economic social and cultural transformation while also addressing the persistent conflict between universal and population specific approaches to social welfare in addition this book addresses the critical contextual components of social policy development and implementation history ideology political economy and culture analyzes major substantive areas of policy e g income support health and behavioral health social services and provides content designed to strengthen students skills in policy analysis critical thinking and advocacy the fifth edition provides updated examples and data expanded content on the significance of diversity equity and inclusion on the development substance and implementation of social policies and new chapters on immigration and housing policies it also includes the eligibility requirements to receive the benefits of safety net policies such as social security medicare medicaid tanf and the aca refreshed pedagogical aids include revised graphics discussion questions and ancillary materials social policy and social justice is ideal for undergraduate and graduate social work courses as well as classes in fields such as nursing public policy and political science explore the differences in the table of contents between the fourth and fifth editions
