the future prophecies of what is about to happen the destiny of human souls and
the end of the entire created order are made known to us in both the old and new
testaments of the holy bible fulfilled biblical prophecies of the past give us a
glimpse into the bleak future history and contemporary occurrences are
testaments to the unfailing precision of bible prophecies over time for generally the
bible has many references pointing to the end times but only god knows the time
specificity of when these foreboding events will roll out it only serves as a warning to
all inhabitants of the earth that the end is imminent we need to prepare to meet the
lord to avoid inescapable dangers associated with the end times as espoused by
eschatology which has drawn much attention in the christian faith because god
loves to reveal his plans to his prophets beforehand for in our generation and
civilization god's prophetic clock is ticking with accurate timelines to set the stage
for the apocalyptic panoramic events that will characterize the end time events
as to the milestones of human existence and its cataclysmic dimensions for
opinions may vary theologies may conflict and schools of thought may differ
relatively even as radio carbon dating falls into the error of anachronism but the
scripture has proved to be inerrant reliable and a fail safe about eschatology and
the vicissitudes of life for armed with this binocular of god's divine calendar author

akinbowale adewumi systematically chronicles the enigmatic events of the immediate and distant future through the last days to the end of time with convincing clarity in this book summarily he attempts to help readers strategically place themselves in a vantage position in the race of life and eternity br unequivocally jesus gave hints on deceivers and false christs the noise of wars nation rising against nation and kingdom against kingdom intense persecution of brethren climatic changes earthquakes in diverse places environmental hazards famines and troubles pestilences love of god waxing cold in many believers lawlessness injustice the trial of faith tribulation hatred maliciousness betrayal untold suffering an abomination of desolation the emergence of a recessive world economy carelessness and the need for all to watch br obviously almost all events across the world no doubt have continued to confirm that the world is running its full course to drop its worn out garment of the rebellious act unrighteousness disobedience and sin against god hence nobody can claim ignorance of the recent happening across the globe all confirming earlier predictions and prophecies from the prophets that the second coming of our lord jesus christ is at hand br the bible lifts the curtains and gives us a picture of some of the fearful events that will happen after the saints of god have been raptured caught up or taken home to be with the lord actually although many church assemblies or religious circles may give different interpretations to events of the end times the fact remains that no true believer should go through the agony of events in the end time br the gory experiences untold sufferings and fierce judgments are better imagined the reign of the antichrist will reach its height at this time and he will mobilize the world to fight against our lord and saviour jesus christ and the saints nevertheless god in his infinite power will pour out his fierce judgment upon the people on the face of the earth during that time there will be no hidden place for sinners backsliders religious infidels proselytes atheists and all who reject the gospel of salvation that the lord brought for all men br the suffering and anguish will be too much to the point that men will still blaspheme god rather than repent it would be too late to repent at this

time because the holy ghost that could bring conviction upon people would have been withdrawn

as i visit different congregations i find that 98 percent of them do not teach the truth when it comes to the end times i happen to believe that everyone needs to know the truth when it comes to end time events so they know what to look for such as falling away the tribulation period and the final judgment the bible clearly instructs us to be vigilant i have covered all the events leading up to the return of christ but it also teaches that no one can say for certain that we are living in the end times this is at best a debatable proposition jesus himself repeatedly said that no one knows or can know the day or hour of his return matthew 24 36 mark 13 32 acts 1 7 to be sure we are surrounded by events and developments that could be interpreted as signs of the end on every corner we see famines earthquakes disasters troubles persecutions wars and rumors of wars mark 13 7 9 but has there ever been a period in the history of the world when this was not the case

since the beginning seventh day adventists have developed a high interest in bible prophecy in addition to studying end time events early seventh day adventists also focused on studying and teaching distinguished doctrines such as the second coming the sanctuary the state of the dead the three angels messages the sabbath and the ten commandments only after the 1888 minneapolis general conference did seventh day adventists start to give attention to the important truth of righteousness by faith this very teaching which almost split the church in 1888 has been a reason for debate and theological controversy this book was written because understanding righteousness by faith and the end time events are essential for every believer pastor leonard tolhurst devotes several chapters to clearly outline what righteousness by faith is and what it is not he also addresses some difficult topics such as the human nature of christ a person s view on whether jesus had a sinful or sinless nature determines to a large extent his or her understanding of righteousness by faith some chapters deal with the 2 300 day

prophecy of daniel and their interpretations by futurists and preterists the second half of the book focuses on end time events the three angels messages the latter rain the sealing armageddon among others it ends with the second coming and the millennium each chapter is filled with bible texts ellen g white quotes and a list of supportive sources for further study the book is a tremendous resource for bible teachers ministers and church members
