the law on foreign direct investment fdi belongs to the fastest changing legal field in international law investors and the host state have long left behind a relationship dominated by the host state's desire to screen and choose fdi in the current market for fdi both parties try to assert influence but in the end the scarcity of fdi is the decisive factor this book provides an in depth study of the legal framework for the admission of fdi and presents insights into the pros and cons of various admission models its goal is to identify legal and policy options that serve the host state's and investor's common needs the book is a comprehensive easy reference handbook that is of interest to lawyers academics and policy makers

this study undertakes a critical assessment of the legal protection of foreign direct investments fdi in south africa and zimbabwe by determining their compliance with the international minimum standards norms and or best practices on the legal protection of fdi by host states firstly the study argues that foreign investment is much needed in south africa and zimbabwe to improve economic growth and development to create jobs and to increase their competitiveness however these benefits are not accrued automatically but rather host states need to create an enabling environment to receive such benefits thus host states need to put an investment

scheme into operation to guarantee the legal protection of foreign investments south africa and zimbabwe have at large crafted and implemented investment laws and related policies which tend to be hostile towards foreign investments therefore similar investment laws and related policies in both jurisdictions are analysed this study will also offer recommendations for a legal investment which is not only flexible friendly and favourable to foreign investment in south africa and zimbabwe but also advances their local economic policies

zimbabwe has had a chaotic foreign direct investment fdi regime this has created the need for a detailed volume on the most important developments around the protection and treatment of fdi at not only a domestic level but also at bilateral regional and international levels the author argues that while zimbabwe has now harmonised previously scattered legislation under the zimbabwe investment and development agency act chapter 14 37 and taken measures to reverse to varying degrees controversial policies such as the land reform programme and the indigestion and economic empowerment policy scepticism still prevails over the investor friendliness of the fdi regime in zimbabwe

regulation of foreign investment is one of the most topical and controversial subjects in eu law and international investment law this book examines the legal foundations upon which eu investment policy is based addressing the legal practical and political concerns created by the establishment of a common investment policy

this book focuses on an article by article interpretation of the foreign investment law of the people s republic of china which was adopted on march 15 2019 it also describes the legislative process of the law and the relationship between the law and other laws and regulations it also includes a comparison of china s new foreign investment law with representative foreign investment regimes and the interaction between china and evolving international investment rules and the law with a focus on the impact of evolving international investment rules on the

development of china s foreign investment regime in recent years the momentum of globalization has continued to grow and a pattern of economic governance with valorization regionalization and benefit sharing has gradually emerged amid the emergence of new international investment rules the foreign investment law of the people s republic of china adopted on march 15 2019 has significantly changed the face of china s foreign investment regime given that china is a major destination for global foreign direct investment flows its foreign investment regime is a focus of attention for international investors and international lawyers this book aims to provide a practical legal guide for students of chinese law especially chinese business law practitioners and their clients interested in the chinese market and observers of international investment law and national investment law practice

this book brings together leading investment lawyers from more than 20 jurisdictions to produce a comparative study of foreign investment law as such the book will provide a unique resource for investment lawyers

the number of international investment agreements iias continues to grow as the use of foreign direct investment fdi flows has become a key part of our globalised economy with for example almost two bilateral investment treaties added every week during 2004 this publication is the first of a three volume compilation of papers to aid negotiators and policy makers in particular from developing countries with issues arising in discussions of iias this volume contains 12 chapters which cover a range of issues including an overview of key trends scope and definition admission and establishment most favoured nation treatment fair and equitable treatment taking of property transfer of funds transparency and dispute settlement

the legal policy options surrounding the admission establishment of foreign direct investment by transnational corporations into host countries is a topic that raises questions central to international investment agreements in general this concise study offers balanced easily

accessible analyses of the issues involved it focuses on explanation of the issue stocktaking analysis interaction with other issues concepts economic development implications policy options

disk contains forms from the printed text in wordperfect 5 1 format

the book is divided into four chapters chapters i reviews the purposes of bilateral investment treaties bits and their origins chapter ii discusses the negotiating process of such treaties chapter iii analyses individual clauses in bits focusing in particular on the definition of the terms and principles involved how these are used the differences and similarities between present and former treaty practice and the implications of individual treaty provisions for development chapter iv examines the impact bits have on investment flows annex i contains a list of bits signed as at 1 january 1997
