a masterpiece it teaches us how not to fear and repress but to rechannel and harness the most powerful energies of life toward freedom and bliss robert thurman it is common in both buddhism and freudian psychoanalysis to treat desire as if it is the root of all suffering and problems but psychiatrist mark epstein believes this to be a grave misunderstanding in his controversial defense of desire he makes clear that it is the key to deepening intimacy with ourselves each other and our world proposing that spiritual attainment does not have to be detached from intimacy or eroticism open to desire begins with an exploration of the state of dissatisfaction that causes us to cling to irrational habits dr epstein helps readers overcome their own fears of desire so that they can more readily bridge the gap between self and other cope with feelings of incompleteness and get past the perception of others as objects freed from clinging and shame desire's spiritual potential can then be opened up

desire for beauty is at the heart of human existence some find this meaning out of their religious or spiritual perspective some find it at the edge of their traditions and others find it outside any recognizable tradition this book speaks especially to the second and third groups of people desire releases us to

explore difference and to honor alternatives desire shapes our lives in unique ways it centers our energies for personal and relational change where difference can be debated and variety permitted we might transcend circumstances that limit us desire is more than meaningfulness it is captivation of mind and spirit to life s possibility in my discovery desire is an abandonment to beauty

in this book alexander von gontard a child psychiatrist uses the language thought and imagery of buddhism to explore the spirituality of children the book begins by exploring the buddha s own childhood and the divine child in buddhism a key archetype in jungian psychology the author defines the spirituality and religiosity of children and adolescents and identifies manifestations of spirituality in children such as experiences of awe and wonder and favourable conditions for spirituality such as silence nature extreme conditions and mindfulness drawing on his own experience working with children in therapeutic practice von gontard discusses the parallels between spontaneous spirituality seen in childhood and the buddha s teachings revealing how the spiritual insights and experiences of children and adolescents can uncover a deep and wise understanding of human life that is compatible with the buddha s teachings this book will be of particular interest to professionals and academics in psychology psychiatry psychotherapy education and religious studies

a practical approach to becoming aware of the five hindrances the negative qualities that inhibit living the awakened life and to breaking free of them in order to live more mindfully effectively compassionately five obstacles stand in between you and true happiness what are they and how can you overcome them buddhist traditions teach that there are five negative qualities or hindrances that inhibit people from living an awakened life here mitch abblett gives this teaching a modern secular interpretation and helps you identify the hurdles that are blocking your contentment desire hostility sluggishness worry and doubt and how you can take your first steps to overcoming them combining traditional wisdom with contemporary psychology and using examples from his psychotherapy practice abblett uses the hurdles as a frame for engaging you in a process of contemplating your own life and learning to lean into your experience rather than merely repeating bad habits by doing this you can break free from the hurdles and live more mindfully effectively and compassionately

eros is the passionate energy that makes us one with the beautiful other with a leper with the world of nature waiting to be embraced and cared for with our neighbor the stranger with god the whiteheads explore this vital energy of love as the gift of a creator madly in love with his creation a god who would bring us to life in abundance if we only say yes they discuss eros in the movements of our sexuality as well as in our arousals of compassion and care they examine the eros of pleasure and of generosity they honor the eros of hope of anger of suffering they reveal that eros has a source far deeper than lust and is a pathway to a passionate god holy eros recovers this fundamental energy of love as a powerful resource in the revitalization of christian spirituality unlike most books on the topic it eschews easy clichs its reader benefit is to understand and appreciate an energy that can heal as well as hinder and to tap into its

positive force

rediscover or discover for the first time the things that make you passionate in life vital signs is about what inspires passion and what defeats it how we lose it and how we get it back and ultimately it's about the endless yet endlessly fruitful tug of war between freedom and domestication the wild in us and the tame our natural selves and our conditioned selves each chapter in vital signs will contain a core sample an intimate biography of one of the strategies we employ to gain or regain our passion the book also affirms the importance of courageous inquiry into dispassion where we're numb depressed stuck bored so the reader can recognize and change these tendencies in themselves
